

YEAR 1 NEWS

Welcome to Year 1!

The Year 1 staff are : Miss Goodall, Miss Brown, Miss Whittington, Miss McKim, Miss Barrett and Mrs Smith.

We would like to tell you about some of the things we are going to learn about and do this half term.

We are going to be learning about 'All About Me and My Friends'. We will find out about ourselves, each other and how to get along. We will also be learning about our bodies and how to keep healthy.

Please visit our blog if you have any ideas about how we can keep healthy.

1 Pear's assembly is on the 21st September so please come along if you can.

Remember

Larry the Ladybird is helping us to...put resources away without been asked.

- A dental nurse will be visiting in October to teach us about looking after our teeth.

We will send out a pack of home learning tasks at the start of each half term. Please complete one task per week and return the book every Wednesday. We will mark the work and return it to you on Friday. Children who return their home learning books on time will be rewarded with stickers on a sticker chart.

Please support your child in their home learning.

We expect the children to read at least 3 times a week.

Please record in their diaries and sign.

If you would like to write a comment about their reading please put them in the diary.

PE will be on a Monday and Thursday, children will need outdoor and indoor kit.
