

Year 6 are 'Out of this World!'

Our theme this term is called 'Out of this World!' and Year 6 have had a special mission set for them by NASA. They have been asked to investigate the problems faced with sending 30 people into space to try and find another place for humans to live. For this we will be learning all about the Earth and Space and we will be sending our findings back to NASA later on this term.

Please encourage your child to use the internet and books to learn more about this topic.

Blog - Please have a look at the year 6 blog. This will tell you more about what your child has been doing in class. You can access and comment on the blog at:

Useful information...

- PE in Year 6 is on Tuesday and Thursday. Please ensure your child has: a white T shirt, black shorts and trainers. They also need tracksuit bottoms or leggings for cold weather.
- Homework this term will be a space themed project. The children will be given weekly tasks to complete over this half term and projects will be due in after the half term holiday.
- Additional tasks will be set on I Am Learning, a SATs based revision website. Children will be able to access these at home and in school during lunchtime clubs.

Year 6 Oak's class assembly will be 19th October. Please join us to share the children's learning.

Condover Hall - The Year 6 residential trip to Condover Hall will take place on 29th and 30th September.
