Headteachers Message

Dear Parents and Carers

I can't believe that we are already three weeks into this school year which has begun with a real buzz and enthusiasm and I am delighted to share that all of the children are settled and working hard – trying their absolute best.

This school year, in all that we do, we are focusing on making sure that children give of their very best at all times. Being respectful and caring towards one another is just as important on the playground as it is in the classroom.

Mrs Malam

Head Girl & Boy Elected

Today we elected our Prefects, our Head Girl and Deputy Head Girl and our Head Boy and Deputy Head Boy. The children applied for these roles and were then voted into the role by the children in KS2 following a presentation. We were so proud of every child who took the time to apply for these important roles in school and watching them make their presentations to the rest of the children was a very emotional, though proud moment.

Nibbles provided

School Blog

We are happy to announce the launch of the new Courthouse Green class blogs. On the blogs you will find outstanding work from each class, also news and announcements from the class teachers. Don't forget to have a look at other blogs on our website too. Please scan the QR code to take you directly to the class blogs.

Please read and share with your children.

COURTHOUSE GREEN PRIMARY SCHOOL NEWSLETTER

Parking

Please can I remind parents that when you are parking near the school you do so with respect to our neighbours – we have some concerns that parents are parking on neighbours grass or blocking neighbours in so that they are unable to leave and get their own car out.

Courthouse Green Parliament

You may be aware that we have our very own Courthouse Green Parliament in school. Children are elected to these roles from across school and they meet weekly with Miss Hesselworth to discuss ways in which they can improve school on behalf of their fellow pupils. This Parliament enables us to teach our children about the democratic society that we live in and gain an understanding of the way in which our Government operates.

Coming onto school site

We welcome all parents onto school site but to ensure that we keep our site safe and secure for our children we ask parents to sign in via the school office. We understand that at times you may have things that are worrying or concerning you about your child and we are always happy to meet with you. If we are not available straight away (though we will always try to be) we may ask that you make an appointment.

I am attaching a copy of our 'Parents Code of Conduct' to remind all parents and carers of our expectations regarding behavior when on school site. It is important for our children that we always act as positive role models around them and other people's children. We thank you for taking the time to read the leaflet attached to this newsletter.

Class Celebration of Learning Assemblies -

8:55am

Friday 29th September - **6 Oak**

Friday 6th October - **5 Willow**

Thursday 12th October - **4 Rowan ***

We do hope you will be able to join your child's class when they share in their learning assembly - the children are always very enthusiastic about sharing their learning with their parents and other children.

* Please note this assembly has changed, due to school photos on the 13th October
