

## Spring Term in Nursery

The children have returned from the Christmas break refreshed and ready to engage in some fantastic new learning. This half terms themes are Winter, Bears and Traditional Tales. We will be finding out about winter, undertaking some freezing and melting investigations and looking at cold countries. We have an igloo in nursery too! We are going to reading lots of traditional tale books including The Three Little Pigs, The Three Billy Goats Gruff and Goldilocks and the Three Bears. We have already tasted and played in porridge!!!

### Larry

With Larry's help we are thinking about what is good about our learning and how we can make it better

### Nursery cafe

As part of our learning about keeping healthy we are planning a cafe week . We will be turning part of nursery into a real cafe with waiters, chefs, customers and washer uppers! We will be having a noodle cafe, a pancake cafe and hopefully Subway will be coming in to make some healthy sandwiches with the children.

### Rhyme of the week

Every week your child will be coming home with a rhyme. The rhyme will be our focus rhyme for the week and we will be singing it lots during the week and would like you and your child to do the same at home. Rhymes play a very important part in literacy development. By encouraging the children to sing rhymes we are teaching them letters, numbers and language concepts. Rhymes also help build the skills that your child needs to help them to become readers. Thank you for your support and happy singing!!

### Up coming events

- We will be celebrating Chinese New Year—25h January
  - We will be working alongside the local library and joining every nursery child into the library.
- Details of both to follow
