

All about Reception

We hope you all had a lovely Christmas and we wish you all a happy new year. The children have come back to school full of energy and enthusiasm which is great to see. This half term our topic is Winter. We are looking at how the seasons change and what differences we can see. The children have begun to investigate water and ice, freezing it and melting it then predicting what will happen. We will be learning about animals in winter and the things we can do to help look after them.

Homework

A weekly activity for you to share with your child will be sent home every Friday, based on the learning that has been happening in school.

Remember

Larry is helping us to learn.....

I can say what is good about my work and how I can make it even better.

Please come into the classroom and take a look at our WOW boards!

Up coming events

Winter picnic

We are holding a winter picnic on Friday 20th January. Parents are very welcome to come along and join in the fun.

Chinese New Year

Children to come dressed in red on Friday 27th January.

More details on these events to follow

PIZZA EXPRESS

This week all the classes have visited Pizza Express to continue our learning about healthy eating and food preparation. The children have made their own pizzas and enjoyed trying new things.

We were so proud of all the children during these visits. Their behaviour was fantastic and they were a credit to the school.

RWInc

Please continue to support your child with RWInc at home. The packs that were sent home are specifically targeted to your child's needs and we can really see a difference in the children that have been practicing regularly at home. Keep up the good work!

Reading

The children have really been enjoying sharing books and reading with you at home. Letters will be sent home with those children that will need to move a colour band.

RAFFLE

We will be starting a weekly raffle next Tuesday. The tickets will be sold on a Tuesday morning ONLY and then prizes given out 1 per class on the same day. The tickets will be 10p each or 50p a strip. The money raised is to contribute to us continuing to give the children rich and exciting opportunities in school.
