**Admissions Policy  
Courthouse Green Primary School  
September 2020**

**Approved by: Local Governing Board**

**Date: 22<sup>nd</sup> January 2019**

## 1. Aims

This policy aims to:

- Explain **how to apply** for a place at the school
- Set out the school's **arrangements for allocating places to the pupils** who apply
- Explain **how to appeal** against a decision not to offer your child a place

## 2. Legislation and statutory requirements

This policy is based on the following advice from the Department for Education (DfE):

- <https://www.gov.uk/government/publications/school-admissions-code--2>
- <https://www.gov.uk/government/publications/school-admissions-appeals-code>

As an academy, the school is required by its funding agreement to comply with these codes, and with the law relating to admissions as set out in the <http://www.legislation.gov.uk/ukpga/1998/31/contents>

This policy complies with our funding agreement and articles of association.

## 3. Definitions

The **normal admissions round** is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

**Looked after children** are children who, at the time of making an application to a school, are:

- In the care of a local authority, or
- Being provided with accommodation by a local authority in exercise of its social services functions

**Previously looked after children** are children who were looked after, but ceased to be so because they:

- Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or
- Became subject to a child arrangements order, or
- Became subject to a special guardianship order

A child reaches **compulsory school age** on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

## 4. How to apply

**For applications in the normal admissions round** (if you are moving your child from one primary school to another) you should use the application form provided by your home local authority (regardless of which local authority the schools are in). You can use this form to express your preference for a minimum of 3 state-funded schools, in rank order. You will receive an offer for a school place directly from your local authority.

**Application for reception year** - If places are oversubscribed the oversubscription criteria in Section 6 will be followed.

All children with an Education, Health and Care Plan (EHC) that name the school will be given priority before all other applicants.

## 5. Requests for admission outside the normal age group

Parents are entitled to request a place for their child outside of their normal age group and should complete a request form provided by your home local authority. All requests will be processed by Coventry admissions team and once allocated to us we will contact parents to arrange a meeting with the Headteacher prior to the child starting at Courthouse Green school.

Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and in the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

- Parents' views
- Information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- The headteacher's views

Wherever possible, requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 6. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group. Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

## **6. Allocation of places**

### **6.1 Admission number**

The school has an agreed admission number of 90 pupils for entry in reception year to Y6.

### **6.2 Oversubscription criteria -**

All children whose Education, Health and Care Plan (EHC) plan names the school will be given priority before any other places are allocated.

If the school is not oversubscribed, all applicants will be offered a place. In the event that the school receives more applications than the number of places it has available, places will be given to those children who meet any of the criteria set out below, in order until all places are filled.

- Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after but ceased to be so because they were adopted, or became subject to a residence order, child arrangements order or a special guardianship order. A looked-after child is defined in Section 22 of the Children Act 1989.
- Children who live in the catchment area served by the school, who have a brother or sister attending the school.
- Other children who live in the catchment area served by the school.
- Children living outside the catchment area with a brother or sister who currently attends the school.
- Children by reference to the distance to the preferred school. If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests by reference to distance.

***If parents wish their child to attend our Enhanced Resource Provision for children with Disordered Speech and Language the child must have an Education Care and Health Plan (EHC) that requests Courthouse Green, in this instance the process of application is via the Coventry SEND department.***

### **6.3 Tie break**

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the school's front gates on **Sewall Highway**. A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week. Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified. One of the aims of a local school is to serve its neighbourhood and develop links with the local community to strengthen the school

and the community. The area served by a school is known as the catchment area and details of specific catchment areas are available at <https://www.coventry.gov.uk/catchmentareas>

#### **6.4 Children below compulsory school age (optional)**

Where children below compulsory school age are offered a place at the school, they will be entitled to attend the school full-time in the September following their fourth birthday. Parents may defer their child's entry to the school until later in the school year but not beyond the point at which the child reaches compulsory school age, and not beyond the beginning of the final term of the school year the offer was made for. Where the parents wish, children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age.

### **7. In-year admissions**

You can apply for a place for your child at any time outside the normal admissions round. As is the case in the normal admissions round, all children whose Education, Health and Care Plan (EHC) names the school will be admitted. Likewise, if there are spaces available in the year group you are applying for, your child will always be offered a place. If there are no spaces available at the time of your application, your child's name will be added to a waiting list for the relevant year group. When a space becomes available it will be filled by one of the pupils on the waiting list in accordance with the oversubscription criteria listed in section 6.3 of this policy. Priority will not be given to children on the basis that they have been on the waiting list the longest.

### **8. Appeals**

If your child's application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals. If you wish to appeal, you must set out the grounds for your appeal in writing and send it to the following address: You can find details of the school's appeals timetable on the following webpage:

[http://www.coventry.gov.uk/info/148/school\\_admissions/122/school\\_appeals](http://www.coventry.gov.uk/info/148/school_admissions/122/school_appeals)

### **9. Monitoring arrangements**

This policy will be reviewed and approved by the Governing Board every year. Whenever changes to admission arrangements are proposed (except where the change is an increase to the agreed admission number), the governing board will publicly consult on these changes.
