Design and Build a Tudor Throne or Crown

For a more hands-on challenge, create a **model of a Tudor throne or crown** fit for the monarch you believe was the greatest.

✓ **Throne:** Use cardboard, recycled materials, or wood to design and build a **Tudor-style throne**. Think about how the throne would reflect the monarch's personality (e.g., Henry VIII's throne might be grand and powerful, while Elizabeth I's might be more elegant and regal).

✓ **Crown:** Design and make a **Tudor crown** using craft materials such as cardboard, foil, gems, and fabric. Research what Tudor crowns looked like and try to make yours historically accurate.
